RE: 2010 YMCA State Swim Meet RV and Camper Parking

Dear YMCA Swim Colleague,

In an effort to make the YMCA State Swimming Championships a memorable and enjoyable experience for all, the Community Y is asking the following:

- All RVs, campers, and other large/ oversized vehicles need to be parked in the far east side of the Community Y parking lot.
- The drivers of said vehicles are expected to use the core value of "Respect" when parking and not to use excessive parking space in order to leave room for others traveling to the competition.
- Any vehicle that is not in compliance with this request will be towed at the owner's expense.

Thank you in advance for your co-operation.

Coaches, please distribute or post for families/ fans attending the State Swim Meet.

Sincerely Submitted,

Shelley Lechnir
